TRANSMITTAL OF FORMAL DRAWINGS

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Applicants' attorney submits herewith one (1) sheet of formal drawings for the above-identified international application.

Although the Notice of Allowability mailed January 24, 2005 (Form PTOL-37) indicates that "[t]he drawings filed on 30 November 2000 are accepted by the Examiner", Applicants respectfully submit that FIG. 1 was amended at the Examiner's request during prosecution. An amended Figure 1 was filed on May 12, 2004. Applicants also respectfully submit that both FIG. 1 as amended and FIG.2 as filed are of an informal nature. Indeed, the utility Application Transmittal dated November 30, 2000 designated such drawings as "informal". Accordingly, Applicants request entry of the formal drawings attached hereto. These formal drawings introduce no new matter into the instant application and thus raise no new issues for examination or processing of the subject application.

No fee is believed owing with this transmittal. However, should the Commissioner determine otherwise, he is hereby authorized to charge any fees which may be associated therewith to Morgan, Lewis & Bockius LLP's Deposit Account No. 50-0310 (order no. 60825-5003). A copy of this sheet is included for such purpose.

Respectfully submitted,

Date: April 22, 2005
